

U6 Co-ed Soccer Schedule

All practices and games are played at Seeman Park, located 1 block West of Douglas Drive and 1 block North of Golden Valley Road.

Practices are 45 minutes to 1 hour.

GAMES are made up of 4 equal 10-minute periods. There is a 2-minute break between the 1ST and 2ND period and a 2-minute break between the 3RD and 4th period. Half time is 5 minutes. Teams can trade goals after the 2ND period if the coaches each agree. (Waiting until the first few games have been played to start switching ends helps the new players). Games are meant to be instructional with one coach from each team on the field, also acting as referees during games. U6 players use a size 3 ball.
